Laine Berry is an actress/singer/dancer who brings a bright light to stage and screen. Although much of her early training and experience was in musical theatre, she is embracing the opportunities to play a variety of roles in film as well. Among her favorite theatre roles are The Witch, Maleficent, Lady of the Lake, and Maria. But it is hard for her to select favorites, really, since she feels connected in a very vulnerable, personal way to whatever role she is chosen to portray.
